Hi Paul – sorry to bug you but I got the message immediately below today from Diane McClure. I don't think you were at the July 23, 2018 call mentioned at the bottom, but I wonder if you know whether the follow-up call has been scheduled. The OH staff (OH EPA or ODH) on the July 23 call mentioned a tentative follow-up August 23 at 2 pm EDT, but we don't know if that was scheduled. Any insights? thanks, George B.

I will be out of the office from Wednesday August 15, 2018 through Friday August 17, 2018. If you need an immediate response for air toxic issues, please e-mail Paul Koval at [Paul.Koval@epa.ohio.gov](mailto:Paul.Koval@epa.ohio.gov).

Thank You,  
Diane McClure

Thanks

Hi Gina – sorry if this is a repeat, but if not see OH EPA notes (attached) per this past Monday's July 23, 2018 call with OH EPA, ODH, SWOAQA, R5 ATSDR and US EPA (just me from US EPA on the call). I didn't provide the US EPA updates listed on the July 23 agenda. FYI, a follow-up call is tentatively scheduled for August 23 at 2 pm EDT. R5 ATSDR asked that R5 USEPA provide an update on that call.

thanks

FYI - I jotted down a quick summary of the activities around AK Steel, to help us with our call this afternoon.
